

TRIMMERS

Ocean Choice International L.P. (OCI) is one of Atlantic Canada's most diversified seafood companies, producing and marketing a full range of shellfish, groundfish and pelagic species. OCI is currently accepting applications for the position of **Trimmer** at our Groundfish processing facility located in **Fortune, NL**.

The person performing as a "trimmer" would possess dexterity with handling a sharp knife. The primary function would be to remove defects from fish fillets, for example bruises, blood spots, and skin spots. There would also be a requirement to remove bones and portion fish fillets to specification. There would be minimum workmanship standards to meet where speed and cut accuracy would be monitored. It would be important to have the ability to comprehend and deal with fillet specification changes.

The following qualification/skills would be required:

- Secondary education or equivalent
- Good hand to eye coordination
- Dexterous with handling a sharp knife.
- Ability to work at a fast pace
- Ability to comprehend instructions and follow through.
- Positive attitude and ability to follow company rules and policies.

We offer a competitive salary and benefit plan. Persons interested can forward a resume on or before March 22, 2016.
