***OCI and Town of Marytown Settle on Municipal Taxes***

**ST. JOHN'S, NL**—Martin Sullivan, Chief Executive Officer of Ocean Choice International (OCI), today announced that the Company and Town of Marystown have negotiated a settlement on all outstanding municipal taxes up to and including taxes for 2011.

“While both parties have mutually agreed to the settlement of taxes up to and including 2011 we look forward to negotiating a more fair and reasonable tax structure for 2012 and beyond with the Town of Marystown as we have with other municipalities,” said Martin Sullivan

“OCI, the FFAW and the Provincial Government have been engaged in discussions concerning the Marystown facility and it is imperative that all stakeholders work together to resolve the challenges and to secure a future for our flatfish business in Marystown,” said Sullivan.

**About OCI**

Ocean Choice International is one of Canada’s leading vertically integrated seafood harvesting, processing and marketing companies with operations throughout Atlantic Canada and Sales & Marketing offices around the world. As one of Canada’s largest wild fish quota holders, OCI is a leader in fishing and processing technology and market development.
