

Plant Operations Manager - Fortune

Ocean Choice International L.P. (OCI) is one of Atlantic Canada's most diversified seafood companies, producing and marketing a full range of shellfish, groundfish and pelagics species. OCI is currently accepting applications for a dynamic leader with a proven track record of delivering high performance results to become an integral part of our plant management team at our facility in Fortune, NL.

Reporting to the Chief Operations Officer, the **Plant Operations Manager** will be responsible for the overall management of the Fortune processing facility. This facility produces redfish, cod, and flatfish for the markets around the world.

This position will appeal to the seasoned Manager who is comfortable operating in a fast paced and challenging environment. You will be focused on continuous improvement using a combination of Best Practices, Lean Manufacturing Principles and strong coaching skills to deliver superior performance. You are a skilled leader in the area of change management and you excel in a team-based environment.

You are an experienced professional who welcomes challenge and change. You have demonstrated sound judgment, problem solving skills and the capability to manage multiple projects in a demanding, fast paced work environment. Ideally you possess Post Secondary training in a Food related field, Business or Engineering discipline supplemented by a progressive career in a manufacturing environment. Candidates should have strong analytical skills with proven problem solving ability.

Experience with the use of personal computer applications is a required asset. An equivalent combination of education and experience will also be considered.

Salary will be commensurate with qualifications and experience. An excellent benefits package is available including health and pension plans.

Interested persons should apply, in writing, to hr@oceanchoice.com or mail resumes on or before October 28, 2017.
