

Fishing  
means  
the world  
to us.™

## We're Hiring Second Engineer

Ocean Choice International (Ocean Choice) is one of Atlantic Canada's most diversified seafood companies, sustainability producing and marketing a full range of shellfish, groundfish and pelagic species. All of this would not happen without our people working right here at home. At Ocean Choice we're all about families, connected to each other and our communities.

We are currently accepting applications for dynamic, highly skilled and innovative individuals for the **Second Engineer** positions on our new state-of-the-art groundfish vessel, Calvert.

### The ideal candidate should possess the following qualifications:

- Valid Class 3 Motor Ticket or greater.
- Marine Emergency Duties or Domestic Vessel Safety Certificate.
- Valid Transport Canada Seafarer's Marine Medical Certificate.
- Extensive factory freezer/trawler fishing experience.
- Knowledge of ammonia refrigeration systems and Rolls Royce winch systems.
- Experience with preventative maintenance software. In particular MxSuite.
- Valid Code of Conduct.

### Duties include:

- Assist the Chief Engineer with vessel technical operations, including specific tasks and all other duties delegated by the Chief Engineer.
- Capable of identifying failures, developing worklists, and carrying out preventative maintenance schedules.
- Safely and efficiently operate machinery systems and apply safety policies.
- Understand, operate and trouble-shoot the ship's electrical assets.
- Execute any and all scheduled and corrective maintenance on the ship's assets.
- Perform metal fabrication and machine work when required, including the use of lathe, welding equipment and other similar equipment.
- Keep records as required by ship standards, including logs, safety documents and other records as required or assigned.
- Assist with maintaining proper inventory levels and ordering critical spares.
- Promote a safe, courteous atmosphere and strive to make improvements in a professional manner.
- Work trip on/trip off rotation, as well as working in port with members of the opposite rotation.

Fishing  
means  
the world  
to us.™

An equivalent combination of education and experience will also be considered. Salary will commensurate with qualifications and experience. An excellent benefits package is available, including health and pension plans.

Interested candidates should apply, in writing, to [lbarnett@oceanchoice.com](mailto:lbarnett@oceanchoice.com) or mail resumes on or before Friday, January 10, 2020.
