We're Hiring

Fish Plant Workers

(Fortune, St. Lawrence, Bonavista, Triton & Port au Choix)

Ocean Choice International (Ocean Choice) is a family owned and operated Newfoundland Company. We are one of Atlantic Canada's most diversified seafood companies, sustainability producing and marketing a full range of shellfish, groundfish and pelagic species. All of this would not happen without our people working right here at home. At Ocean Choice we're all about families, connected to each other and our communities.

Ocean Choice operates five fish processing plants in Fortune, St. Lawrence, Bonavista, Triton and Port au Choix. We are currently accepting applications for reliable, team players for all five of our locations. On the job training will be provided to successful candidates.

Duties and Responsibilities:

- Preparing and operating seafood processing equipment to process and package seafood in accordance with operating procedures for safety and quality.
- Sorting, cleaning, cutting and packaging seafood in accordance with product specifications.
- Maintaining your work area and equipment in conformity with Company Policies and Practices of hygiene and safety.

Qualities and Skills:

- Physically fit to work in a processing environment requiring periods of extended standing and the ability to lift and move product for processing.
- Ability to carry out repetitive work in a face-paced environment.
- Good hand-eye co-ordination and attention to detail.
- Reliable to report to work as scheduled.

Our plants process a range of seafood, including groundfish, redfish, yellowtail flounder, shrimp, snow crab and sea cucumber from both the inshore and offshore sectors.

Positions offer competitive rates in a unionized workplace.

Interested candidates should apply, in writing to hr@oceanchoice.com or mail resumes to:
