WE'RE HIRING – CHIEF ENGINEER

Ocean Choice International (Ocean Choice) is one of Atlantic Canada's most diversified seafood companies, producing and marketing a full range of shellfish, groundfish and pelagic species. We market our seafood all over the world, but it wouldn't happen without our people working right here at home.

Ocean Choice is accepting applications for the position of **Chief Engineer** for our vessels offshore Newfoundland and Labrador. The successful candidate will work with the engine room and operations team to operate, maintain, and enhance vessel systems and assets—ensuring the safety and reliability of the ship.

QUALIFICATIONS:

- Minimum valid Class 2 Motor Ticket
- Valid Marine Emergency Duties and a Transport Canada Seafarer's Marine Medical Certificate
- Factory freezer/trawler experience is an asset
- Knowledge of refrigeration systems and trawl winch systems
- Experience with preventative maintenance software, particularly MxSuite
- Proficient in Microsoft Word and Excel as well as other computer and data entry software
- Confidence in organizing, leading and monitoring engine room staff and contractors to build effective and efficient turnaround schedules
- Valid Code of Conduct

RESPONSIBILITIES:

- Capable of identifying failures, developing worklists, and carrying out preventative maintenance schedules.
- Execute all scheduled and corrective maintenance on the ship's assets.
- Keep records as required by ship standards including, logs, safety documents and other records as required or assigned.
- Safely and efficiently operate machinery systems and apply safety policies.
- Comprehend, operate and trouble-shoot the ship's electrical assets.
- Perform metal fabrication and machine work when required, including the use of lathe, welding equipment and other similar equipment.
- Maintain proper inventory levels and order critical spares.
- Promote a safe, courteous atmosphere and strive to make improvements in a professional manner.
- Work trip on/trip off rotation, as well as work in port with members of the opposite rotation.

Ocean Choice is a family-owned Newfoundland and Labrador company employing over 1,400 people. We operate five processing facilities in rural coastal communities, operate a fleet of offshore fishing vessels and source seafood from more than 1,600 independent harvesters. With global sales offices we bring Newfoundland and Labrador's high-quality seafood to 30 markets around the world.

We offer a competitive salary and benefits package, and we are an equal opportunity employer. Interested individuals should apply, in writing on or before, **Friday, October 24, 2025**, via:
