WE'RE HIRING – SECOND ENGINEER

Ocean Choice International (Ocean Choice) is one of Atlantic Canada's most diversified seafood companies, producing and marketing a full range of shellfish, groundfish and pelagic species. We market our seafood all over the world, but it wouldn't happen without our people working right here at home.

Ocean Choice is currently accepting applications for the position of **Second Engineer** for one of our offshore fishing vessels in Newfoundland and Labrador.

QUALIFICATIONS

- Valid Class 3 Motor Ticket or greater
- Marine Emergency Duties or Domestic Vessel Safety Certificate
- Valid Transport Canada Seafarer's Marine Medical Certificate
- Extensive factory freezer/trawler fishing experience
- Knowledge of refrigeration systems and winch systems
- Experience with preventative maintenance software, in particular MxSuite
- Valid Code of Conduct

RESPONSIBILITIES

- Assist the Chief Engineer with vessel technical operations, including specific tasks and all other duties delegated by the Chief Engineer.
- Identify failures, develop worklists, and carry out preventative maintenance schedules.
- Safely and efficiently operate machinery systems and apply safety policies.
- Understand, operate and trouble-shoot the ship's electrical assets.
- Execute all scheduled and corrective maintenance on the ship's assets.
- Perform metal fabrication and machine work when required, including the use of lathe, welding equipment and other similar equipment.
- Keep records as required by ship standards, including logs, safety documents and other records as required or assigned.
- Assist with maintaining proper inventory levels and ordering critical spares.
- Promote a safe, courteous atmosphere and strive to make improvements in a professional manner.
- Work trip on/trip off rotation, as well as work in port with members of the opposite rotation.

Ocean Choice is a family-owned Newfoundland and Labrador company employing over 1,400 people. We operate five processing facilities in rural coastal communities, operate a fleet of offshore fishing vessels and source seafood from more than 1,600 independent harvesters. With global sales offices we bring Newfoundland and Labrador's high-quality seafood to 30 markets around the world.

We offer a competitive salary and benefits package, and we are an equal opportunity employer. Interested individuals should apply, in writing on or before, **Friday, October 24, 2025**, via:
