

## We're Hiring

### Maintenance Technician (Full-Time, Seasonal)

### Triton Fish Processing Facility

Ocean Choice International (Ocean Choice) is one of Atlantic Canada's most diversified seafood companies, sustainability producing and marketing a full range of shellfish, groundfish and pelagic species. All of this would not happen without our people working right here at home. At Ocean Choice we're all about families, connected to each other and our communities.

We are currently accepting applications for dynamic, highly skilled and organized individual for the position of **Maintenance Technician** to join our team at our Triton fish processing facility.

#### **The Position:**

Reporting to the Plant Manager, the Maintenance Technician will perform their duties with a high degree of efficiency and accuracy, and will be responsible for the following:

- Assist in the planning of corrective and preventative maintenance schedules; and complete related maintenance documentation associated with established preventive maintenance program and work orders.
- Ability to read blueprints, use manuals and related schematics in order to trouble-shoot equipment and resolve problems.
- Foster a culture of safety by implementing and promoting safe work procedures.
- Provide relief for Maintenance Manager as required.

#### **Qualifications:**

- Provincial certification from an accredited institution in a mechanical or electrical field of study. Applicants with relevant work experience may also be considered as meeting this requirement.

This is a full-time, seasonal position and is a bargaining unit position. Wages and benefits will be in accordance with the Collective Agreement.

Interested candidates should apply, in writing to [hr@oceancchoice.com](mailto:hr@oceancchoice.com) or mail resumes on or before Friday, January 30, 2026.
