## We're Hiring

### Quality Assurance Technician, Fortune

Ocean Choice International is one of Atlantic Canada's most diversified seafood companies, sustainably producing and marketing a full range of shellfish, groundfish and pelagic species. Our success is driven by our people and our strong connection to the communities where we live and work.

We are seeking a detail-oriented and quality-driven **Quality Assurance Technician** to join our team at our groundfish processing facility in Fortune. This role plays a key part in monitoring daily quality and food safety activities on the production floor, ensuring compliance with regulatory standards and supporting the delivery of high-quality products.

#### The Position

Reporting to the Quality Assurance Manager, the Quality Assurance Technician is responsible for:

- Providing technical support related to product specifications, and regulatory requirements
- Ensuring compliance with all federal and provincial food safety regulations, as well as corporate quality standards
- Performing routine quality checks and testing, including chemical testing as required
- Supporting production activities with hands-on involvement, including occasional lifting, climbing, and bending
- Assisting with additional quality assurance and food safety duties as required

#### Qualifications & Experience

- Diploma or training in Food Technology, or equivalent experience in the seafood or food processing industry
- Previous quality assurance experience is considered an asset
- Proficient in computer applications, including Microsoft Office
- Strong analytical, problem-solving, and decision-making skills
- Ability to manage multiple priorities in a fast-paced, team-oriented environment
- Self-motivated with a solutions-focused mindset and the ability to adapt to change

Salary will be commensurate with qualifications and experience. Interested candidates should apply by email to [hr@oceanchoice.com](mailto:hr@oceanchoice.com) or mail resumes by **Friday, May 15, 2026**, to:
